

## **Full Disclaimer**

No Product Literature or Business Cards are allowed at our General Meetings or Networking Nights.

We are only asking that people don't push themselves on others. As we want our members to feel comfortable coming to a meeting and not having everyone they talk to trying to sell them something and/or their services, we want true networking to happen. If in conversation someone wants to share business cards they can, we just don't permit the handing out of cards and/or literature to everyone you can talk to that night which is considered soliciting for business. You can make friends at a meeting, but every new friend does not need to have your card, as they will see you at following meetings.

If you would like to reach our members, we have a reasonably priced Vendor Membership. Please contact our Vendor Chairperson at our General Meeting or via E-mail for more information. Thank you for your cooperation.
