Vendor Guidelines

- We make every effort to see to it that you, your name, and your company's name are highly visible. Word of mouth from member to member is going to be your BEST advertising. You will be given a special nametag with your company name on it to wear at all meetings.
- Please, no uninvited solicitation at the meetings. We like our members to feel that they can come to any meeting and not be pursued by vendors telling them continuously about their product or service. This is an opportunity for you and your company to be one-on-one with the members who will need your product and/or service at some point in time.
- CAREIA asks that neither you nor your company sell information about our members or use their names as references without prior consent. CAREIA requests that you don't call members or send them direct mail without consent.
- Vendor Member Application shall be subject to the approval of the Board of Directors for CAREIA. By completing this application, you agree to the Vendor Affiliate Program guidelines. CAREIA reserves the right to revoke your affiliation if any abuse of benefits or unwelcome solicitation occurs.
